

# TT 200

Joining AKT's Enduro family comes one of the most sought-after bikes by our customers – the AKT 200 TT.

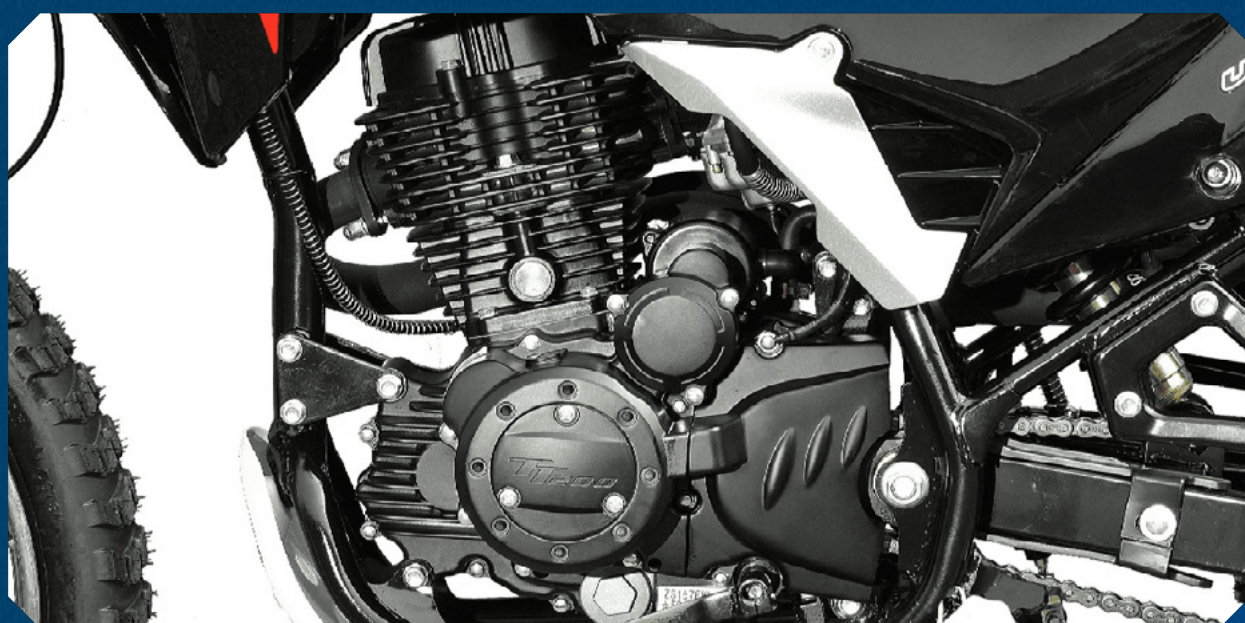

More strength, more power in a tough and eye-catching motorcycle for Enduro enthusiasts. Designed to deliver excellent performance, efficiency, and easy handling. Get ready to ride with confidence and conquer any road.

MAXIMUM  
POWER

**15,4 Hp**  
α 7.000 rpm

MAXIMUM  
TORQUE

**13 Nm**  
α 5.500 rpm

## Powerful and high-performance engine

The AKT 200 TTF features a 198.8 cc single-cylinder engine offering excellent power and fuel efficiency.

## Suspension

The hydraulic telescopic front fork is protected by both gaiters and bottle covers, shielding it from dirt, debris, and particles encountered along the way.

## Front and rear disc brakes

Equipped with perforated, wavy front and rear disc brakes that provide more precise and safer braking thanks to faster cooling.

## Skid plate

A polypropylene (PP) engine guard or skid plate that protects the covers from obstacles and debris on the road.

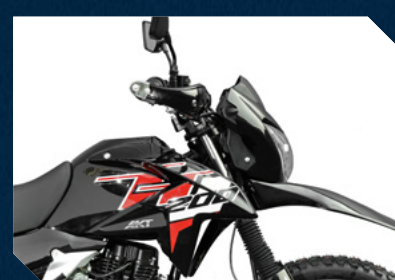

## Available colors

BLANCO

ROJO

NEGRO

AZUL

## Technical data

Engine	4-Stroke
Displacement (CC)	196,4
Power (Hp)	15.4 Hp @ 7.000 Rpm
