CS3 150

The CS3 150 is a lightweight, versatile, and economical motorcycle that allows the rider to adapt to the city in a fun and dynamic way. It's inspired by an energetic, bold, and fast rider—one who loves new designs and, above all, the latest technologies.

MAXIMUM POWER	MAXIMUM TORQUE
11,4 Hp a 8.500 rpm	**10 Nm** a 7.500 rpm

New LED lighting. See more, be seen.

A sharp, aggressive front end with a dual-optic LED headlight and DRL that sets the style and sharpens your view of the road, plus side LED lights for added visibility.

Safer braking

Front perforated disc brake for efficient and reliable stopping power.

Digital display

Fully digital panel with a sporty design, featuring odometer (distance traveled), tachometer (rpm), and speedometer (km/h). Also includes neutral, lights, and fuel indicators to keep you informed about the motorcycle's status.

LED turn signals

Sporty design with a flexible body that ensures greater durability for a safer ride.
