

TT 150

Joining AKT's Enduro family comes one of the most sought-after bikes by our customers – the AKT 150 TT.

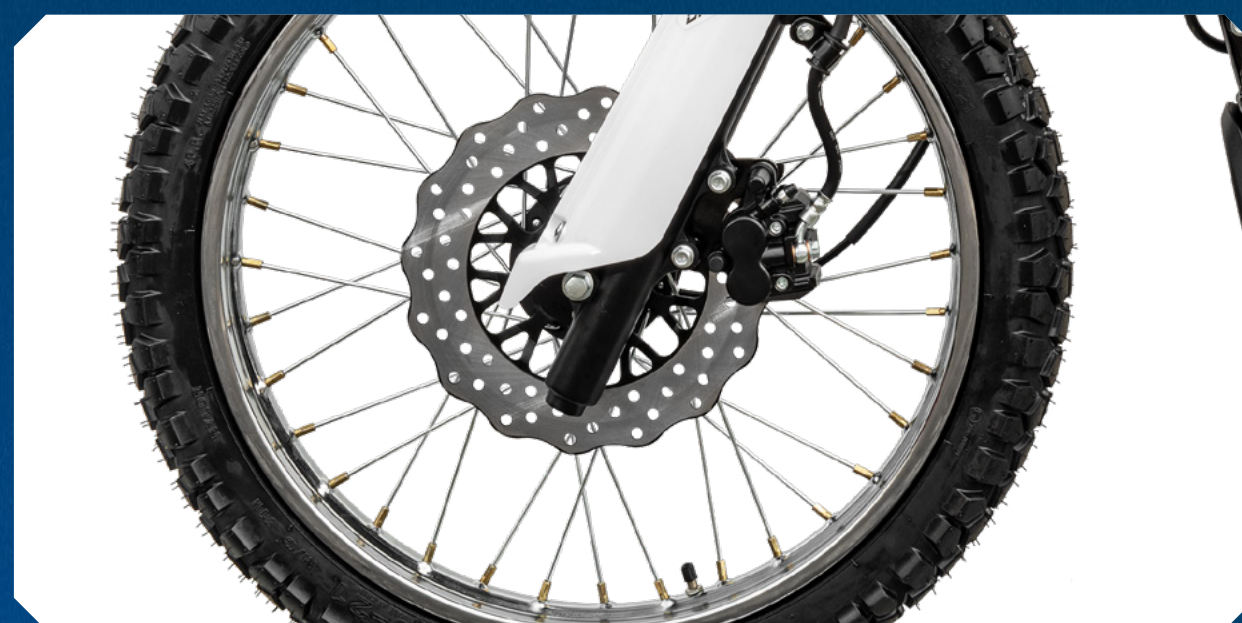

More strength, more power in a tough and eye-catching motorcycle for Enduro lovers. Designed to deliver excellent performance, great handling, and easy riding. Get ready to ride with confidence and conquer any road.

MAXIMUM
POWER

11,5 Hp
α 8.000 rpm

MAXIMUM
TORQUE

10,5 Nm
α 7.500 rpm

Powerful and high-performance engine

4-stroke OHV engine with outstanding capabilities, delivering a maximum power of 11.5 Hp at 8,000 rpm and a maximum torque of 10.5 N·m at 7,500 rpm.

Front disc brake

Its perforated, wavy front disc brake helps dissipate heat faster, ensuring more precise braking and making your rides safer and more enjoyable.

Front suspension

The hydraulic telescopic fork comes protected by both gaiters and bottle covers, shielding it from dirt, debris, and particles that could hit during your ride.

Toolbox

A practical, easy-to-access compartment to store basic tools or small items you might need along the way.
