

# TTF 250

Joining AKT's Enduro family comes one of the most sought-after bikes by our customers – the AKT 250 TTF.

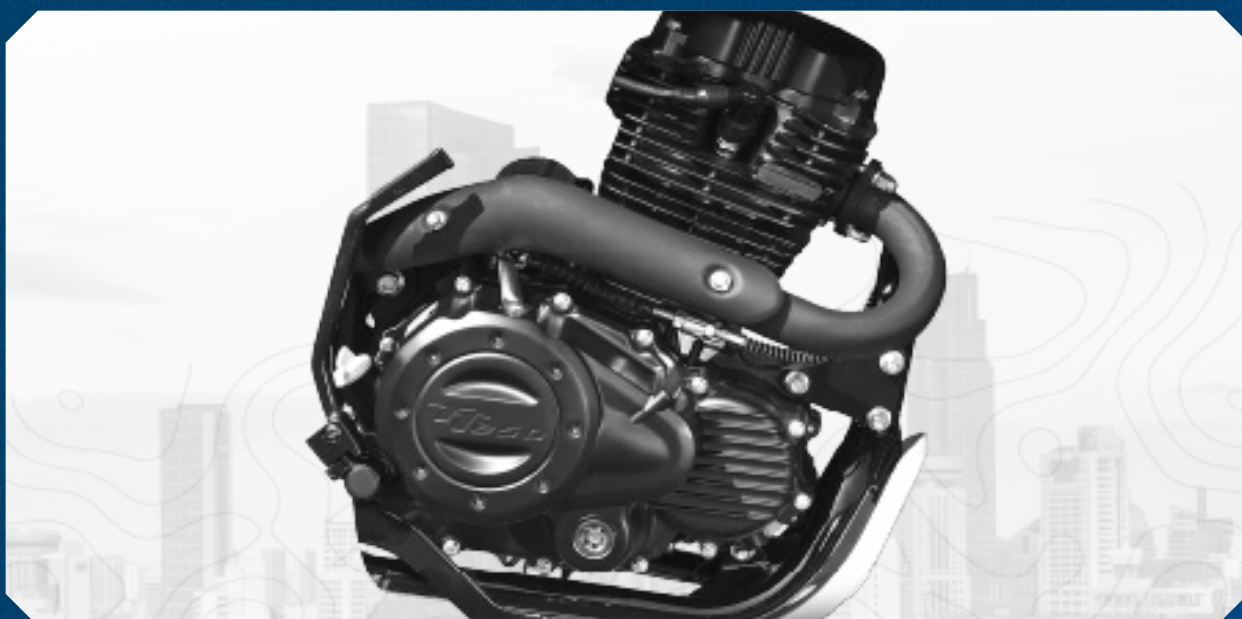

Experience the adventure with a more aggressive and dynamic motorcycle, ready for any terrain. Its new projector headlight delivers superior illumination for greater safety, complemented by a daytime running light and an LED brake light for increased visibility. Additionally, protect the engine with the new skid plate, designed to be durable and shield against impacts and debris from the road.

MAXIMUM  
POWER

**16,3 Hp**  
α 7.000 rpm

MAXIMUM  
TORQUE

**16,5 Nm**  
α 5.500 rpm

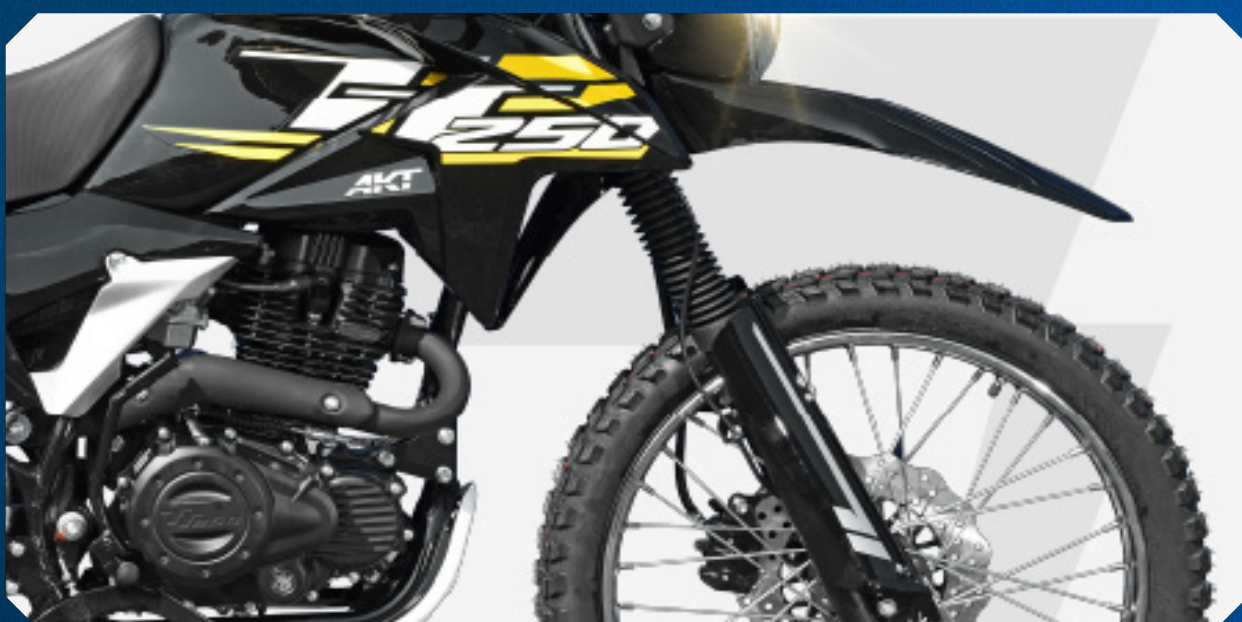

## Powerful and high-performance engine

Equipped with a 229.5 cc single-cylinder engine that offers excellent power and fuel efficiency.

## Wavy disc brakes

Front and rear perforated wavy disc brakes that provide more precise and safer braking thanks to faster cooling.

## Front suspension

Hydraulic telescopic fork protected by both gaiters and bottle covers to shield it from dirt, debris, and particles that may strike the motorcycle.

## Adjustable monoshock

Allows adjustment to the position best suited for the rider's needs and terrain conditions, making the motorcycle versatile and adaptable to any situation.

## Available colors

BLACK
