

TTP 150

*With a long track record in the enduro segment,
AKT Motorcycles presents the 150 TTP.*

More strength, more power in a tough and eye-catching motorcycle. Designed to deliver excellent performance and efficiency. **Get ready to ride with confidence and take control of any terrain.**

ENGINE

The 150 TTP features a 4-stroke OHV engine with outstanding performance, delivering a maximum power output of 11.5 HP at 8,000 rpm and a maximum torque of 10.5 Nm at 7,500 rpm.

Max. Torque
10.5 NM @ 5,500 RPM

Max. Power
11.5HP @ 7,000 RPM

MONOSHOCK

Rear monoshock suspension that provides smoothness and stability, allowing the bike to adapt to any riding condition.

FRONT SUSPENSION

Strong and robust front suspension with gaiters positioned at the upper part of the fork, protecting the fork tubes from elements and abrasive particles encountered across different terrains.

FRONT BRAKE

Front disc brake with a lobed and perforated design for faster heat dissipation, resulting in more effective braking performance.

TIRES

Multipurpose front tire 90/90 on a 19-inch rim and rear tire 110/90 on a 17-inch rim, providing a larger contact area with the surface and giving the motorcycle a more solid, muscular look.

LED TURN SIGNALS

Line-style LED turn signals that enhance visibility.

Handsavers

Protective handguards featuring engraved design

Dashboard

Analog dashboard with speedometer (km/h), odometer (kilometers), fuel gauge, gear indicator, neutral indicator, and warning lights.

USB Port

5V USB port for charging electronic devices.

COLORS & GRAPHICS

Attractive and dynamic graphics designed for the enduro style, highlighting the versatility of its design. **Available in red and black.**

2 colors available, to suit every preference.
